AMERICA'S HERITAGE

The America's Heritage Palette pays homage to key architectural styles throughout American history. Ranging from exuberant hues that adorned ornately appointed Victorians to the softer, restrained shades of Craftsman bungalows, our featured color combinations are based on authentic schemes from their respective eras. Each has endured the test of time and is sure to provide beauty and enjoyment for centuries to come.

HELPING YOUR ENVIRONMENT

Your neighborhood Sherwin-Williams® paint store has zero-VOC paints that have less impact on the environment and are great for your home. Visit swgreensure.com for more information.

The inside scoop on the exterior

Bringing color to the outside of your house can have a tremendous effect on your home's value and curb appeal.

Things to keep in mind:

- Coordinate paint colors with existing features of your home such as your roof and any brick or stone accents you may have.
- Look for colors that harmonize with your surrounding landscape and neighborhood. Or use any of our color palette collections to find combinations appropriate for the architecture of your home.
- Add splashes of color by highlighting details such as doors, shutters, and architectural elements. Keep in mind light colors can add size, while dark color can inject drama.

There are thousands of colors in the world.

It's time to embrace them.
