HOMEOWNERS ASSOCIATION OF MANATEE, INC.

Well Pump Activation Request

Whenever possible, homeowners are asked to conduct all irrigation system repairs and testing during the pre-arranged weekend schedule. Please see the Irrigation Information & Procedures document on the community website for details.

Homeowners who are unable to schedule maintenance/repairs to occur during the preferred weekend schedule, will be required to complete and submit this Activation Request at least seventy-two (72) hours in advance of the desired date.

When submitting this request, please note the following:

- Requests must be submitted at least seventy-two (72) hours in advance of the desired repair/testing date.
- Pump activation outside the weekend schedule is ONLY available on Tuesdays/Thursdays from 9:00am to 2:00pm.
- The pump will ONLY be activated for pre-arranged repairs and NOT for fertilizing lawns, extra watering, etc.
- Pump activation is provided as a courtesy by community volunteers, with no guarantees offered or implied.
- Incomplete requests will NOT be processed.

Please provide the following information to request activation of the well pump for testing purposes only.
